

# Peach

Every so often, a band breaks out of the hundreds of hopefuls out on the road, and jumps into a top bracket

Peach have earned the appreciation of the public in many areas, and now play most major venues on the big band circuit, in Ireland, Scotland, and England

Peach's audiences can enjoy "live" music in the truest sense of the word, including a full range of pop and dance music

The band has toured all over the UK and Ireland, and has been a huge success where ever they have performed

They were also the band chosen by Patrick Kielty to play at his Super Party!!

A great band for your WEDDING or FUNCTION!

60's Music. 70's Music...80's Music...90's Music...2K music, a very versatile programme.
